

# 1642CP

## BLAST MACHINE

### The "Trigger Happy Portable Workhorse."

Constant pressure allows for continuous blasting.  
Less stopping and starting on air compressor, reduced fuel or power consumption and less wear on blast pot components.

### AUSTRALIAN MADE

Designed and made in Australia to AS1210 using Australian Plate Steel.

### CONSTANT PRESSURE

Continuous blasting, less wear and tear and reduced energy consumption.

### BUILT TOUGH

Rated up to 175 psi (1200 kPa) to meet all situations.

### STABLE

Four points of contact for maximum stability.

### SAFE

Rated lifting lugs to make handling and transport safer and easier.

### PERFORMANCE

Valving system designed to minimise pressure drop.

### EASY TO LOAD

Low height of 1180mm makes it easier to load and handle.

#### Specifications

Useable Garnet Capacity: 175kg  
Vessel diameter: 405mm  
Weight: 145kg  
Length: 780mm  
Width: 580mm  
Height: 1180mm  
Volume: 90 litres (3.2 cu ft)

#### Option

Pneumatic Deadman Trigger

#### Inclusions

Screen & Lid  
Thompson II Valve  
1-1/4" Auto Air Valve  
20m Deadman Control Line  
ECK Electric Deadman Trigger  
Manual Dump with Silencer  
MDR & Australian Design  
Registration Certificate

#### Part Number

0152-1642-30  
0151-1642-30

#### Description

Constant Pressure 1642 Blast Machine - Electric  
Constant Pressure 1642 Blast Machine - Pneumatic
